

John serves as the Firm's managing partner and remains dedicated to active client service. His responsibilities include shared management and oversight of our nonprofit and government services practices. John has extensive knowledge and has led our Firm in assisting entities to adopt various FASB and GASB financial reporting standards. John has over 35 years of experience serving commercial entities including financial institutions, governmental entities, and nonprofit organizations including educational institutions, charitable organizations, and private foundations. John's client responsibilities include supervision of numerous services in the areas of external and internal auditing, consulting, tax compliance, cost reporting, and *Government Auditing Standards* applications.

As managing partner, John is responsible for carrying out the policies and objectives adopted by the Firm's management committee. He oversees the management and profitability of the Firm and is responsible for implementing and monitoring actions to achieve the Firm's strategic and future vision. John is also responsible for monitoring developments in the accounting profession and business environment in order to determine their relevance to the Firm and its market leadership position.
